Dear Andrea,

At the 2024 annual council meeting of the Camp Waupaca Reunion group, held on Saturday August 24<sup>th</sup> at the Horseshoe of Camp Waupaca, the council voted on this year's Hall Of Fame nominees. A nomination was received from **John Everman** that the entire Wanty Family should be considered for this award. After some discussion, the council agreed unanimously. Congratulations to you on this well-deserved recognition!

You were a fixture in the kitchen for many years, doing everything and anything possible to provide delicious hot food in a clean environment. It was a dirty job performed in difficult conditions with outdated equipment, and you along with the rest of the kitchen crew did an amazing job for so many years. Add to that having to deal with demanding staff members, some with crazy ideas for a meal (cough, Paul Warshauer, cough – the Chinese dinner). We are grateful to you for your efforts and hard work!

We also would be remiss if we did not recognize the sacrifices your entire family made to work at Camp Waupaca For Boys and help in any way possible. Your entire family helped to make camp run smoothly for many, many years, and for that we are very grateful.

Congratulations, Andrea!

Mike Lurie
