Dear Herb,

At the annual meeting of the Camp Waupaca Reunion Group council of directors on Saturday August 9th 2025, you were UNANIMOUSLY voted into the Camp Waupaca Hall of Fame for your all of your years of dedicated service to Camp Waupaca for Boys. This meeting was fittingly held at the Horseshoe at Camp Waupaca.

Your time as Waterfront Director really set the tone for Waterfront Directors who followed in your sandy footsteps. You are also being recognized for your valuable contributions to the Camp Waupaca Reunion Group. The comprehensive document you authored many years ago, "Campo Waupaca – The Early Years" still stands as the most comprehensive details of your time at camp from 1952-1965. These memories and in-depth details of the early years of Camp Waupaca have been invaluable to us as we work to document everything about our beloved camp. We deeply appreciate your contributions. Wishing you all the best.

Best regards,

Mike Lurie
