Dear Warren,

At the annual meeting of the Camp Waupaca Reunion Group council of directors on Saturday August 12<sup>th</sup>, 2023, you were UNANIMOUSLY voted into the Camp Waupaca Hall of Fame for your 18 years of dedicated service to Camp Waupaca For Boys. This meeting was fittingly held at the Horseshoe at Camp Waupaca with you in attendance!

You will primarily be remembered for your service on the waterfront, teaching over 10,000 boys to swim and waterski! But you will also be remembered for your countless other contributions to camp, including horseback riding, general maintenance, spring preparations, and confidant to Manny Desnet.

Please accept this certificate of lifetime achievement for everything you did for camp and the directors and of course, the campers. Wishing you all the best.

Best regards,

Mike Lurie
