WAR IS HEATING UP!

By Lotta Bulits --

CAMP UNITES FOR
SHAWN LIEBER DAY!!

Once again the Camp is buzzing with excitement and curiosity. Who will it be this year? And when will we find out?

These questions pertain to the most carefully guarded secret in America: The selections of the Blue and White War Chiefs. The War, as it is fondly called is a multi-day, multi-activity extravaganza which divides the Camp into two teams including counsellors. There is a select few who have been chosen to officiate and work on the Year-book, however no one knows just who these people will be yet. We have heard from our sources that we can expect many surprises this year. Several of the staff members have decided to square off against each other.

Let it be known that from this day forth every Aug. 4 will be known as Shawn Lieber Day.

The unusual honors began with everyone saluting Shawn at the flagpole activities except for Cabin 14 who saluted Dean Martin Shawn's first cousin. Shawn's reward for this was to conduct the rest of the flagpole ceremony.

There is even a Shawn Lieber Fan Club (SLFC) & the gruelling initiation consists of saying, in either Norwegian or Irish, "A Shawn A-Lieber" to Shawn himself.

The SLFC is a non-profit organization and Jeff Risman is the acting President. We encourage you to join!

(WAR continued) Mike Lurie & Larry Gordon, George & Will, & Cliff have all got the War on the road to "heating up! We'll watch & see!

THE WATERFALL

By Joel Feinstein

Sometimes for
Cabin Nights, some cab-
ins go to a place
called, the Waterfall.
It is nearby and is in
a town called Little
Hope.

The Cabins that go
have lots of fun by go-
ing in inner tubes or
just swimming in the
rapids.

There is a rope at-
tached to a bridge and
you hold on and try to
pull yourself into an
airpocket that is be-
neath the waterfall.

You try and sit for
as long a time as you
can and then you slide
out and go downstream
through a tunnel.

You have to wear gym
shoes or you will hurt
your feet on the rocks.

The whole cabin will
enjoy it; its lots of
fun!

HELP US OUT!!

As camp comes to a close
all departments are try-
ing to locate all missing
articles. If you find
tennis balls, golf balls
or arrows in the woods,
please return them to the
appropriate counsellor.

MOVIE REVIEWS OF THE
WORLD!

Revenge of the Pink
Panther

By Craig Steinberg

This movie is about a detective professor Clouseau. He has escaped so many assassinations, that the head of the French Connection wants to kill him to impress the Godfather of the Mafia. Then the French Connection think they have killed Clouseau & he tries to disguise himself as different people. It is very funny & if you like slapstick you'll love it.

FM

By Paul Harris

This is basically about a radio station and the disc-jockeys. The DJ's get fed up with commercials that the company wants to put on the air, they go on strike. They barricade the doors so nobody can get in or go out. There is a lot of humor in this movie. It stars Michael Brandon, Martin Mull, & has a special appearance by the famous Linda Ronstadt. Rated PG

GONG SHOW TONITE!

By Steven Prebish

Tonight a production will be performed before the Camp in the mess hall. Boys and Counsellors will compete in a talent contest called the Gong Show. This will be similar to the Gong Show that we all know from Television. As a bonus, some song parodies from the movie & play, Grease, will be performed by several groups of campers.

A panel of expert judges will be on hand to grade your act. Anyone who has talent will be allowed to perform and even those with no talent will be allowed to perform. So beware! You may be the next victim of the Gong!

Cabin Clean-Up

Competition Ends!

By San Iterry

The competition to see who has the cleanest cabin will end next week. There are three divisions and the highest score in each division will win a root beer float.

GOLD-RUSH-DAY A NUGGET!

By Jeff Rissman

This year's Gold Rush went
real well for everyone.
Finding the Gold was fun
and sometimes someone would
even find Plutonium and
then very rarely a Moon
rock! There were some or-
iginal yet strange booths
this year but all were good
We enjoyed sending telegram
courtesy of Cabin 5 and we
had fun at Cabin 3's Mini-
Miniature Golf Course. The
CIT's kept us filled with
popcorn & soda at outrag-
eous prices and then we
tried to find our way thru
Cabin 11's maze. Cabin 12
had a dart toss while 14
had those incredible frog &
spider races. 1 spooked us
with their haunted house
but 2 made us laugh & enjoy
a mini theatre version of
Grease. Cabin 4 & 6 had
games of skill--BD's darts,
knock hockey & you could
earn up to 10 times your \$\$
Cabin 7 made gamblers out
of us with their casino &
Cabin 8 challenged our
abilities at the Rec Hall.
Tatoos? Go to Cabin 9 for
hand painted specials &
to see the "moons" we went
to cabin 10 for the space
show. Eb & Zeek appeared
first & weighed the gold!

ah ha! You thought we'd leave them
out of this issue? No way!

WOULD YOU BELIEVE???

Would you believe that Robert Garfinkle
doesn't know the words to Grease?

Or that Steve Lasin used to play center
for the Portland Trail blazers?

Or that Rob Gercowitz walks like a
rooster?

Or that Mike Stern snores like a Rooster?

Would you believe that there are only
seven days left of camp? Where did it
all go, eh?

Would you believe that the Gong Show
will not have Brian Vinet singing?
Too bad, it will!

Would you believe that Ross Much's hair
once straightened out? NO?

Would you believe that Phil has the
IQ of John Rubiner's height, (in
inches?)

How about that Jeff Pierce has pupils?

Would you believe that the big chiefs
are Anne Towne & Andrea Wanty?

That Ted Sirota once weighed 195 pounds
then joined Waupaca's War on Weight?

That Bumner Bramson is a country club pro?
(Pro-- what?)

That Mike Euer has nightmare's about running
colors & that all the War shirts faded?

That Scott Loochtan has a fancy collection
of automobiles? (Even tho there Tonka)

That Lee Multack & Mike Roskin are candi-
dates for the Piccolo award? How about
the entire team of Spiders II?

That Scha's (Tee Hee) & Laso (Tee Hee) are
engaged? Ray will perform the simple cere-
mony.

NARANLDOVILE & RYNHYADORMKS!
