WRESTLER'S WRANGLE!

By "Crusher" Bones

(UPI, AP, MSG) Once again, the crowds were hustled into Waupaca Square Gardens for a big nite of celebrity wrestling. Many matches were fought and unusual surprises were on hand for everyone. Some of the matches included The famous Sussman Bros. vs. Jeff Rissman & Jon Schulman, (Bros Victory) Andy Dorfman vs Mike Roskin (in a Sumo match, Roskin won), Greg Berke vs. Jon Yellen (Yellen squeaked by defeating Berke), Mike Hollobow vs Greg Greenstein, (another Sumo match vic. to Hollobow. David Grossman narrowly defeated Donny Schwartz, and in a great tag team match Brett Wantee & Jeff Rissman defeated Mike Stern & Marty Golub. Staff matches were especially enjoyable with Phil Goldberg being defeated by Rob Garowitz; Curt Caulkins took on Mike Weindling, Ross Much & Larry Klinsky.

Cabin 10 took on Goldberg and Gerowitz in a later match and handily defeated them. Cabin 14 took on their CIT's in a hot match with Bramson, Multack & Roskin edging their campers while Jeff Fortin challenged Eric Kaplan, Dave Alpert, & Kip Poncher. Al Steinmetz was challenged by the tough Donny Schwartz, David Barr & David Grossman and in two surprise matches Andy Sirota & Gary Rosengarten were almost defeated by Glen Traeger, Joel Feiger, Brad Polan & Jeff Bornstein. The "Mighty Molecule" challenged Lee Multack in a demonstration of flying skill (Little Johnny Rubiner played the "molecule") And for the surprise match, Ray Krysh & Paul Warshauer challenged the CIT's to a final match. Unfortunately a lack of time postponed the match.

Ray Krysh & George Lamm were the referees assisted by Larry Gordon. Paul Warshauer was the announcer.

WILL MURPHY

I interviewed Will (affectionately known as Uncle Wilbur) about Water-skiing. I asked him what the duties of a Water ski instructor are. Will told me that his duties are: teaching campers how to ski, enforcing safety rules and driving the ski boats.

He told me that Gordy John & Pete check the maintenance of the boats and the equipment, too.

Will has been skiing since he was nine. He had a boat until he wrecked his on some rocks last year. (This may give you an idea of how he drives, but he says the rocks were hidden.)

When he water-skiis he likes to show off for blondes and brunettes.

CIT WAR STILL ON!!

Paul Warshauer's war on the CIT's has heated up again. Nearly every day he lambasts another CIT. They have lambasted only twice and weakly at that!

KITCHEN KUTIES

Poetry Corner

(This weeks poem by Kurt Heyman was written when he was 10 for the Chicago Lung Association.)

You may not have noticed,
But you're starting to choke.
That's because of the sickening smoke!
Also your teeth are yellowish green.
That's because of the tar & nicotene.
Maybe you're even starting to smell,
That's because smoking is hell!
You may find stopping not an ease,
But if you don't you will get lung disease.
If you get addicted you will regret
That very first Cigarette!

FISHING A NEW WOW!

The gentle art of fishing has once again become popular on the shores of Waupaca. Led by Fishman Lamm, campers have pulled in record catches. Jeff Bornstein recored the largest catch so far. Bring
