ZEUS HERE!

In a flurry of trumpets and olympic fanfare, the Greek God ZEUS appeared mysteriously on his fiery chariot accompanied by his wife, Hera & their daughter, Pallas Athena. Their arrival was timed to coincide with the running of Camp Waupaca's Olympic program.

The Camp has been divided into eight teams: Canada, England, France, Israel, Italy, Japan, U.S.S.R., & U.S.A. The nations assembled Friday morning at the athletic fields and marched to the waterfront to the majestic sounds of the Olympic Fanfare played by the Waupaca Symphony over the P.A. system.

A mild set-back occurred when ZEUS made his unexpected visit. His wife at the last minute decided to officiate at a different location & without telling her plans

left the chariot rather suddenly. It was reported later that all went well elsewhere.

Zeus addressed the nations on the beach with a short introduction & gave a brief history of the games. He introduced his family and his chariot escort guards, Apollo & Aegis then retired to return to Mount Olympus in Greece. It was not reported as to how he returned. Waupaca International airport announced a mysterious blip on their radar as Zeus came and went but no other unusual occurrences were reported.

The nations competed all morning and were presented with medals at lunch for first (gold), second, (silver) and third, (bronze). The anthems of the first place team was played on the mess hall PA system aptly manned by Mr. Lurie. The mess hall has been well decorated by all nations.

DEAR BLABBY!

By David Alpert

Dear Blabby,

I have a bunkmate
who has wire braces. He
picks up NBC every
night and I have to
listen to it. What
should I do?

Signed TV 2 Late

Dear 2 Late,

Tell him to change
to ABC, its better! If
this doesn't work, hook
up all the extensions in
your cabin to his braces
and then you will save
electricity.

Blabby

GARY LIPKIN

For winning the
movie raffle!

"Hello," I'm Dave Al-
pert from Channel WXGA
62 here to talk about
the horrendous horse
fly case.

People are out
paying golf just about
to hit the ball and then
comes a horse-fly go-
ing up-your nose driving
you insane! Before you
know it they bite the
inside of your nose &
you get a big lump.
Isn't that horrendous?
Some suggestions are to
get someone to blow a
horn and the horseflys
could follow him all
the way to Turkey.
