EARLY BIRDS OFF TO THE DELLS!

By David Barr

The great Early Bird Trip of 1979 will leave for the Wisconsin Dells Monday morning. We will arrive before lunch then go for a hike.

During the trip we will go to the Tommy Bartlett Water Ski Show, swim in Devil's Lake, go to the Circus World Museum, ride the famous "Ducks", and go to the famous water slide.

Those boys who signed up early for camp this year and stayed for eight weeks are eligible for the trip. It looks as if it will be a fabulous trip, as usual!

OLYMPICS: A TRADITION!

By David Pine
& Steve Kramer

On the evening of the 19th of July, the famed Camp Waupaca Olympics started. The campers were told what nation they would be competing on and got their shirts.

The next day the Olympics actually started and all teams marched down to the waterfront where Zeus came in on a hang-glider. He gave a speech and then the torch was lit. The first event, the marathon canoe race was started and Russia won.

The competition went on for the next two days. All boys received gold, silver, or bronze medals for their participation in the games.

The final standings were:

1st-----U.S.S.R
2nd-----England
3rd-----U.S.A.
4th-----Israel
5th-----Italy
6th-----France
7th-----Japan
8th-----Canada

CABIN NIGHT--BIG NITE IN TOWN.

By Arthur Reinstein
& Scott Dimond

Thursday night was a big night! Cabin Night! Cabins 1, 2, 5, & 10 went into town. They got pizza at the Merrimac and saw the movie, Butch Cassidy & Sundance Kid: The Early Years. They finished the nite with a great time at the Dairy Queen.

Cabin five had a change of pace tho. They went to the miniature golf course.

Back at camp, the CIT's went swimming and played cabin 14 in a baseball game. CIT's despite the fact that they gave Cabin 14 10 runs in advance still won by a score of 13-12.

Cabin 15 went to the waterfall at Little Hope and had their cook out in the park at the falls.

Cabin 11 went swimming and played cabin 10 in softball.

Cabin 9 went mini-biking and took a nature hike.

Cabin 8 played cabin 7 in softball and lost 4-3 in a close game. Eight, seven and nine all had a great time with playaks and the "Titanic" paddleboat.

All in all, the camp had another great cabin night!

THE DEMO DERBY KING'S BATTERY GOES;

WARSHAUER LEFT IN IDLE

By Adam Fleischer

He didn't last a minute---
He didn't need his clout.
He jumped right out the wind-
shield,
Our demo-derby drop out!

Paul Warshauer returned to camp with hardly a dent in his demo-derby car, but he had quite a story to tell.

Paul bought the car in Oshkosh for \$90. and drove it back to camp. Jeff Rissman, Karamath Khan, Greg Berke, Jackie Sirajullah and a host of others helped prepare the car for the Amherst County Fair at Portage Wisconsin. The derby was Sunday nite and the boys barely had time to let the paint dry and Warshauer drove the car, with the help of Tony Edmonds to the fairgrounds. He checked in & readyed himself for the fourth heat of five.

Troubles began when the battery didn't hold up to fast starts. Rick Poole, nature man extraordinaire, offered his battery in a sacrifice move but no time was left. The derby began and as the dust lifted Warshauer was left moving 80 feet then stalling---never to bump even one car. The battery died leaving him in the center of the pack of cars.

On the drive back Warshauer encountered more difficulties with the local highway patrol but all was resolved and the car will wait until next years Demo Derby.

Review of ROCKY II by
Steve Reitmeister

Rocky Two starts off with the 14th and 15th round of the first fight. Apollo Creed and Rocky go off to the hospital. Rocky says he will retire from boxing because the doctor told him he would go blind if he boxed again. Apollo set up a campaign to make Rocky look like a chicken.

Rocky marries Adrienne and she has a baby. Rocky gets in shape and decides to fight Apollo and, well, I want to tell you about the end but won't... but its a shocker!
