IT TAKES A WOMAN-From Hello Dolly

It takes a woman, all powdered and pink,
To joyously cle an out the drain in the sink;
And it takes an angel, with long golden lashes, and soft dresden
fingers, for dumping the ashes.
Yes, it takes a woman--a dainty woman; a sweetheart, a mistress,
A wife!
Oh, yes, it takes a woman--a fragile woman to bring you the
sweet things in life.
And so she'll work until infinity. Three cheers for femininity.

RAH RAH RAH--RAH RAH RAH F--E--M--I--T--Y!

And in the winter she'll shovel the ice,
And lovingly set out the traps for the mice.
She'll a joy and treasure for practically speaking.
To whom can you turn when the plumbing is leaking!??
To--that--dainty woman, that fragile woman.
That sweetheart--that mistress--that wife.
Oh, yes, it takes a woman, a husky woman,
To bring you the sweet things in life.
Oh yes it takes a woman, a dainty woman,
A sweetheart--a pin up--a wife,
Oh yes it takes a woman, a sexy woman,
To bring you the sweet things in life.

AND WE WON'T BE HAPPY TILL WE GET IT-From Babes in Toyland

With assistance from Goldman & Polan
I embezzle and I swindle and I keep two sets of books,
And the income tax collector always gives me dirty looks.
Now the thought of making money has a very strong appeal;
So underhandedly I've planned another dirty deal.
And we won't be happy till we get it.

Unwittingly some papers they will sign.
They'll never have a hint--That in the finer print
Mork's machine of time is mine all mine!

We're an awful gruesome duo and we're rotten to the core,
Of the dirty tricks you've heard about--We're gonna do some more.
Now the Orkan and the munchkin think that they are really smart.
But soon the boys and time maching will very quickly part.
And we won't be happy till we get it.

So off to England we will shortly go--
To sell old crazy George--The time machine of Mork's.
Then the riches and the gold are ours!
And we won't be happy till we get-----it!
