

Ron Lavine
Program Director
Camp Waupaca

Throughout this history of our great country there have been many outstanding events that have changed the course of our lives. Such events will long be remembered for their impact on the people of our great nation.

Therefore, in the tradition of Mt. St. Helens, the Great Depression, Watergate, Abseam, and double-digit inflation, Camp Waupaca and the United States of America once again conspire to bring you:

THE SPORTS SPECTACULAR FIGHT SONGS

EAST

We're the team, we're the men, who will beat you once again
For the East Team is ready this year
Watch our charge, to and fro, marching over you we go
For the East Team has nothing to fear

All our battles long have proven us so strong
Opponents will run when we're in sight (EAST FIGHT!)
And where'er we go, we will always know
That forever the East Team will fight

On the field, on the court, we will win in every sport
For the East Team is coming to play
See us glow, near and far, we're outshining every star
For the East Team is leading the way

NORTH (Fight! Fight! Fight North Fight!)

From the farthest field and tallest tree to the shores of Stratton Lake
We will bring the North a victory when our honor is at stake
To the strong belongs the summer sky, to the weak just silent fears
And the North Team flag will fly on high as it has down through the years

WEST

Fight on for Waupaca West
We have the spirit, we are the best
In the air you'll hear our call
Fight on for West - Fight one for all

Giv-ing one hundred percent	Loud-ly our cheer can be heard
Energy rising, energy spent	Proudly we cheer and sing every word
Never stop to take a rest	Voices rise above the rest
So fight on forever West	So fight on forever West

SOUTH

Standing tall, heroes all, set to fight day or night, sound the call
For the South is coming - with spirit coming - to conquer one and all

Old and new, tried and true, on we go cause we know what to do
Marching
We're forward marching
And we'll march right to a victory over you

SOUTH! SOUTH! FIGHT! FIGHT! FIGHT!

Start the band, as we stand, straight and tall, best in all of the land
For the South is coming - with spirit coming - to lend a helping hand

Old and new, tried and true, on we go cause we know what to do
Marching
We're forward marching
And we'll march right to a victory over you
