

There one was a man named Andy,
All the nice ~~xxxxxx~~ boys thought he was dandy.
He found a boat in a tree
Put a toilet in E Cabin E
~~And~~ And the girls in the town call him pansy.

He likes to bounce a ball on the court
But this isn't his favorite sport-
His ^{tongue} ~~parts~~ gets all wet
~~xxxxxx~~ ^{thinks} ~~xxxxxx~~ Cause he dreams of Annette
~~But~~ When she sees him she just has to snort!

We have a counselor named Kass
Who is filled with plenty of gas--
He is not very tall
But plays some ROOF Ball
When he falls he lands on his ass-troturf.

There is a large puf named John
Whose appetite is always turned on
The kitchen's his place
Where he stuffs his fat face
And soon he will wiehgt a full ton!
