Dear Reunion Attendee,

The Labor Day weekend traditionally signals the end of summer, as we return to school and jobs, and get ready for the upcoming Holidays and winter. This year, you enjoyed a special Labor Day weekend reunion at Camp Waupaca! The organizers have prepared a newsletter and time capsule recapping the reunion. We hope it brings back fond memories of the fun we all shared over Labor Day weekend. In addition to the newsletter and time capsule, you will also find a combined form with the following sections:

- Shirt/hat/sweatshirt order form (thank you Jeff Korman!)
- Auction form for the remaining dining hall plaques
- Donation form for continued reunion activities
- Permission form to distribute your name, address, and telephone number to other Camp Waupaca alumni
- Order form for a copy of the videotape made during the reunion

We would also like your feedback on the reunion itself, to help us prepare for future reunion events. A separate form for this purpose is also enclosed.

Please return all forms by November 30. The next mailing will contain your copy of the name/address/phone list and other happenings. All shirt, hat, and sweatshirt orders will be sent to Jeff Korman at Scorpio Products at one time, so get your orders in on time, please! Once the clothing is ready for distribution, we will send it out to you.

There is little doubt that the reunion was a huge success. Our goal for the next reunion is to have at least 100 alumni and family in attendance! Your assistance in the form of names and addresses of other alumni, and a small donation, will go a long way towards continuing to keep the spirit of "The kids that come from Stratton Lake" alive!

Please feel free to call us at the telephone numbers below, or correspond to the address above. We look forward to hearing from you!

Your co-chairmen are:	Mike Lurie	Paul Warshauer
	(612) 551-1962	(541) 882-3300

P.S. We would like to welcome our most recently found alumni:

Jean Holman-Ziemke	Steve Perlow
Gary Korrub	Gary Silbar
Bonnie Kranzusch-Dahlke
