

Dear Camp Waupaca Alumnus,

June 20, 1997

Due to circumstances beyond our control, the reunion scheduled for August 22 - 24, 1997, has been canceled. Camp Young Judea has undergone management changes that will prevent them from adequately staffing the facility for our planned reunion.

We have worked very hard in recent days to work with Camp Young Judea and Hadassah to make the reunion a reality. They felt our proposals were not workable and it would be in their best interest to not rent the facility to us at this time. We regret their decision.

If you have sent in a deposit, it will be mailed back to you shortly. We apologize for any inconvenience this may have caused you.

On a positive note, we continue to hear from many previously unlocated alumni! We hope you will continue to provide us with names and addresses of other "Kids that came from Stratton Lake!". We will also entertain suggestions (and volunteers!) to help us plan other exciting reunion activities (how about a reunion at a bowling alley in Chicago mid-January, with bologna sandwiches, potato chips, soda, and a slide show!)

We would like to extend our thanks to Jeff Korman for volunteering once again to print shirts and other "chachkes" for us. Thanks also to everyone who registered for this years reunion. We share your disappointment at the recent turn of events.

Please keep in touch! Paul Warshauer and Mike Lurie, your reunion co-chairmen, are always at your service for any and all Camp Waupaca Reunion Group information.

Sincerely,

Paul Warshauer
