

SERVING JEWISH YOUTH AGES 8 - 14

Camp Young Judaea

December 11, 1998

Dear Camp Waupaca Alumni,

From my conversations with past campers and staff, Camp Waupaca was a very unique place with fond memories and special friends that have lasted lifetimes. As you may know, Camp Waupaca is now Camp Young Judaea-Midwest sponsored by Hadassah. For two hundred fifty children every summer, CYJ-Midwest is also a special place that develops experiences and relationships that last forever.

This summer Camp Young Judaea is celebrating its 30th Birthday! It is a very exciting season for us. We serve children from all over the Midwest in grades two through nine. Being part of a Young Judaea, a year round youth movement, our campers also have frequent opportunities to meet with children from camp in local club meetings and regional conventions.

I am enclosing a camp brochure and video so you may not only learn more about CYJ, but also see your own Camp Waupaca. If you are looking for a summer camp for your children we urge you to consider Camp Young Judaea. In order for children to have a Jewish background, they must have a Jewish playground. CYJ-Midwest is that playground. Like Camp Waupaca, Camp Young Judaea is an amazing place for a child to spend the summer. Feel free to contact me with any questions or to set up an informational meeting. We can be reached at 888-605-2267.

Thank You,

Abby Levine
Director
Camp Young Judaea Midwest
