Dear Campers and Staff: We are very grateful for all the good things that have happened this summer to make our camp great. As we look back over these past eight weeks, we think of all the outstanding activities that have been effered that have brought forth the remark as we talked with you, "Camp is great-this is really living." Yes, the program was new and exciting, but even more important, we were blessed with a competent staff and a Z great group of campers. Adding a class to our daily schedule gave you the opportunity to be more involved in learning new things than you have in the past. We feel a boy should be kept busy and learn something useful that will be helpful as he grows into manhood. We look forward to making some other changes in our program that will be both exciting and challenging to you mext summer when you return to camp.

Every boy was happy to make use of the new equipment at camp this summer.

The 55 horse ski boat, Nordex sail boat, gymnastic equipment, new photography lab, additional cances, new waterfront program, and seuba class are but a few of the activities and equipment that helped make this a good summer for all.

Most important is the pleasure we derive when we see boys develop skills that they did not have as the summer began. We get a great deal of satisfaction when a camper comes up and tells us, "I just learned how to swim" or of other accomplishments he has made during his stay at camp. Our goal will continue to be teaching beys new activities but, even more important, teaching them how to get alongin their schools and communities, and to make a contribution to their families and to seciety because of what they learned while camping with us at Waupaca.

Boys, we wish you well in school and home this coming year. We have put down some plans on paper for next year. You will be hearing about them. We would like to hear from you once in awhile either by letter or a phone call. We are interested in knowing how you are getting along in school or just a friendly call to say, "Hi".

Our phone number is (area code outside of Chicago) 312-676-0911.

Thanks to all the staff that have taught you skills and have watched over you during your stay in camp.

This yearbook will come in handy during the year. Take it out of your desk and enjoy reading about the good times you had at camp.

Yes campers, summer has just about ended for this year. Another summer will soon be here for more fun and learning at Camp Waupaca.

Be seeing you at the White Pines Nature Trail next summer. Respect your parents, relatives, and friends. Be a helpful person. Remember, "A person stands straight when they stoop to help others!" How straight can you stand?

Yours in camping,

Manny Desnet

Lillian Desnet

Bernard Cohen
