GAME :

Exploding for a seven run third inning, the American League All-Stars caught fire and went on to win 19-2 in the first inter-camp baseball game of the summer. These boys were selected by their coaches as representatives of their various American League competition teams. At least one boy from each team and at least one boy from each of the first seven cabins in camp were selected. It proved to be the largest offensive explosion of the summer for any of our teams, as the home crowd at Moshava looked on in dismay.

Second baseman Craig Adler led the 29 hit attack as all members of the team came through with at least a hit and all but one managed to cross the plate before the game was called at the end of the eighth inning. It was a good beginning for our camp competition in 1974 and it spoke well of our pre-game preparation back at camp. Moshava immediately challenged us to two more games to be played at our fields the following week.

Camp Waupaca	1	0	0	1	2	0	0	9		13

GAME

After falling behind in the very first inning, the 9-14 baseball team staged a comeback win with a hustling 13 hit attack including a booming right field homer by slugger Larry Gordon. Coming off a victory over the village CITs only the day before, our team was up for the game and had a spirited attack at the plate and heads-up play in the field. The Miquano team was older - but we were ready.

Second baseman and lead-off man Ralph Saunders was injured in the top of the second inning while making the pivot to turn over a double play. Larry Stern took over and filled the gap in style, making several fine stops. We missed Ralph's bat, but a big 9 run burst in the last of the 8th put the game away. Our teammanship and field conduct was excellent, far better than our opponents, and certainly a major factor in keeping us ahead in a tight game through the first seven innings. When we managed to score all 9 men on our team during the 8th inning, the game was all but over.

GAME

Coaches:

Dennis Sullivan
Ron Lavine

While the 9-14 team gave Miquano a hard time at the far diamond, the AL All-Stars gave them fits with a solid defense at the near diamond. Scoring three runs in the second inning, we held on for a tight 4-1 victory and a sweep of the two game set with Miquano on our home fields. Jeff Isaacson smacked out two hits and along with Hall Garfinkel managed to get on base three times to keep rallies alive.

In the field, Alan Singer and Brad Korzen showed sparkling defensive ability as our whole team held our opponents to a lone run scored in the middle of the game. It was the second win for the American League All-Stars and with their final game coming up the very next day, they were playing like champions. Only a tough Miquano team held them to four runs.

CAMP

HRS: Sam Rosenwasser

Coach:

Dick Garb

All of our National Leaguers from cabins 8-10 were out in force as we played two simultaneous games with Moshava. At the near diamond, it was a tight 9-7 victory for Waupaca and a fine effort by all. Mike Berke was unable to play due to illness and with his big bat out of the line-up, we really need to perform well at the plate - and we got great individual hitting from Aric Simons and Ricky Weinberger who combined for seven hits in leading our offense.

Solid fielding and hustle on defense shut off a near disasterous late inning rally by Moshava, as both teams played hard and fought all the way to the finish.

First baseman Sam Rosenwasser cracked a home run - the only blast of the game.

GAME IS

While the Near Diamond team slipped past Moshava 9-7, our group at the far diamond broke the game open with a rally of 7 runs in the fourth inning to ice a 13-4 victory and a sweep for the day. Moving up into a higher league, clutch performances by Hal Garfinkel and Scott Goldstein (both American Leaguers) keyed the offense and defense. Blake Horwitz smashed 3 hits, shortstop Brad Fishman added two more - and our hitting attack made the most of all of our opportunities.

It was a great day for our National Leaguers who proved that they could all put on a good showing. Our two teams were composed of all the boys qualifying by cabin assignment who wanted to play. And all played extremely well.

GAME

HRS: Craig Bernfield

Coaches:

Ron Lavine
Ray Krysh
Barry Robbins

Coming off a giant loss to the village CITs (who were out for blood to even up at one game apiece), our 9-14 team came roaring back to play a heads-up and hustling game to beat Royal Oaks 8-0 in an evening road game. Craig Bernfield blasted a home run along with two other hits, Craig Stone also added three hits and timely hitting by Glen Spear and Larry Gordon helped us put across single runs in four different innings.

Our defense was tight and our spirit was high. The field conditions made hitting a problem as the large infield and dead ball gave all the breaks to the defense. Only persistence allowed us to crack the game open with 4 runs in the third. It was our last camper baseball game of the year, and if nothing else, we learned that Craig Stone knows how to spell out "DQ" with his finger on the back windshield of a station wagon.

Camp Moshava	0	0	0	0	0	1	0	1	2
Camp Waupaca	2	0	0	0	0	2	2	X	6

GAME ?

It was a long time in coming, but our staff finally got a challenge for a softball game, and we came to life for 6-2 victory. Staff captain Dennis Sullivan was easily our offensive star slamming out four hits in four at bats and participating in every scoring rally our team put together. On defense, we held tight allowing only single runs in the sixth and eighth innings.

It was an interesting way for the new second four week campers who arrived two days earlier to get to know our staff. Moshava played very well and this promises to become a staff competition rivalry that will remain close in years to come.

And aside from everything else, for a bunch of old men, the staff did "okay".

Coach:

Dennis Sullivan
