# FIELD SPORTS

Another camp summer gone by. It seems as though the pages fall from the calendar two at a time. How did it go by so fast? Perhaps because we had a really great time.

I haven't got very much room (the tetherball pole is going to shorten this article considerably) - but I'd like to give my thanks to the staff and CITs who combined to make this one of the greatest years at Camp Waupaca yet. The Olympics, the Blue-White War, the Red White and Blue Track Meet, Moment of Madness, 4th of July: all of the special programs could not have been successful without much effort on the part of many staff members.

Good luck this coming school year - and in all years to come. And may the memories of summer keep friendships alive.
