Who could ever forget Phil Goldberg single-handedly winning the Greased Watermelon Competition? How about the swamped canoe during the canoe tug? In all, it was a lot of laughs and an all around good time. Congratulations to all of the boys who came up winners!

Congratulations to all of the boys who finished among the scoring leaders, and to all of the boys who participated in the event and helped to make it go.

Congratulations to the winning  
 WHITE TEAM and Chiefs Ted Habermann and Larry Gordon!

The 1978 Blue-White War was a hard fought and especially close competition. The lead at times seemed to be changing with the wind. Through the sports, songs, and super-duper, the teams played with spirit and intense desire.

Our special thanks to John Schmitt and Gordy Adams of the Blue Team, Ted Habermann and Larry Gordon of the White Team. Their leadership inspired some unforgettable moments as our camp season for 1978 came to an exciting and thrill packed conclusion.
