

# SPECIAL...

In the history of America only twice has the entire population roared to its feet in a demand that it be heard. The first time was in 1776 with the signing of the Declaration of Independence when all Americans stood up and demanded the pride, honor, and glory that was rightfully theirs. They shouted: "NEVER AGAIN!" to the rule of the English King.

Then, some 200 years later, in the tradition of a free America where the voice of the majority speaks with meaning, the entire population once again roared to its feet and demanded that it be heard. It was the summer of 1977, and the people stood up straight and tall as they shouted: "NEVER AGAIN! NEVER AGAIN!"

But despite this public outcry, we are stubborn enough to have once again brought you:

EAST

We're the team, we're the men, who will beat you once again  
 For the East team is ready this year  
 Watch our charge, to and fro, marching over you we go  
 For the East team has nothing to fear

All our battles long have proven us so strong  
 Opponents will run when we're in sight (EAST FIGHT!)  
 And where'er we go, we will always know  
 That forever the East team will fight

On the field, on the court, we will win in every sport  
 For the East team is coming to play  
 See us glow, near and far, we're outshining every star  
 For the East team is leading the way

NORTH

From the farthest field and tallest tree to the shores of Stratton Lake  
 We will bring the North a victory when our honor is at stake  
 To the strong belongs the summer sky - to the weak just silent fears  
 And the North team flag will fly on high as it has down through the years

FIGHT! FIGHT! FIGHT! NORTH! FIGHT!

WEST

Fight on for Waupaca West  
 We have the spirit, we are the best  
 In the air you'll hear our call  
 Fight on for West - fight one for all

Giving one hundred percent  
 Energy rising, energy spent  
 Never stop to take a rest  
 So fight on forever West

Loudly our cheer can be heard  
 Proudly we cheer and sing every word  
 Voices rise above the rest  
 So fight on forever West

SOUTH

As the team to beat we're applying the heat  
 Get the foe, let 'em know that we're here  
 With our flag up front we continue the hunt  
 Night and Day, light the way with a cheer  
 And without a flaw, whether win, lose, or draw  
 Live or die, give a try this year  
 The South is going to rise again  
 We're the South team of Waupaca
