Will it be Tom vs. John? Will it be Jeff vs. Rick? Could it be Paul vs. Mike? What about Erv vs. Squeaky? Nobody knows until the last moment - but when the war finally got heated up: it turned out to be Gordy vs. John. And what a war it was!

Congratulations to John Schmitt and the victorious BLUE TEAM! For John, it was a long time coming. Two losing years, one as the big chief, but finally the sweet smell of victory. To Gordy, much thanks for his efforts in a losing cause. The White Team will always feel that they were an equal match for the Blue. Perhaps should the two teams meet again, the outcome might be different. Gordy: Maybe next year. After all, it took John two years as the chief. Gordy: are you up for another shot at it?

Congratulations to John also on his triple crown for 1979: first place in the Olympics, Gold Rush and Blue-White War!

Ron Lavine
Program Director
