Congratulations to the victorious Blue Team and Chiefs Rick Curley and Dick Rist. It was a tough battle all the way with the lead changing hands many times, both during the daily struggles and during the three hours of action and excitement in the super relay. Paul Warshauer and Dan Bowie and all of the members of the White Team were proud of their efforts and held their heads high with the spirit of athletic competition overshadowing the final score.

Thanks Rick and Paul for a fantastic Blue-White War!
