EXTRA! EXTRA! WHITE TEAM WINS SUPER RELAY IN PHOTO FINISH!

One of the closest Blue vs. White competitions in camp history ended just the way it began. In a 14-second photo finish, the White Team came out on top. Congratulations Big Chief Craig Layne and Little Chief Phil Lueders!

Right from the start we knew it would be one of the closest wars on record. At the first two meals when the flags were raised, both flags touched the ceiling indicating an exact tie! Throughout the rest of the week, the lead changed hands twice, and both teams were never more than a handful of points apart.

The fierce competition on the field was matched by the excitement both teams generated by their cheers, songs, plays, and spirit.

Everyone emerges a winner in such a fine contest of two evenly matched teams. Big Chief Steve Burkhardt and Little Chief Chuck Vanden Heuvel were extremely proud of the Blue Team.

The White Team finished the relay with a time of 2:51.01. The Blue Team rang the bell at 2:51.15.
